

Varsity Spiritline Stunting Score Sheet (30 Points Total)

- Stunts will be assessed by hired judges on a designated day before tryouts.
- Candidates will stunt with 3 different stunt groups that will be randomly assigned.
- Each group can earn up to 10 points in each stunt group equalling up to a total of 30 points.
- The candidates will have up to 15 minutes in each group to master the highest skilled stunt.
- Once the allotted time has been completed, they will demonstrate their skills to the judges and the highest skilled stunt they can safely execute will be scored.
- *When choosing their highest skilled stunt, correct technique and safety is the at the utmost importance and it's up to the judges discretion based on observation of prior stunts whether they allow a group to continue to work their way up the stunting list in.*
